

## Jason Numbering System

### JASON NUMBERING SYSTEM:

Identifies the Base Number plus Options & Features of the bath products. Base Numbers, Options & Features, and Product Serial Number are included on the product invoice carton shipping label, and

original Installation & Operating Instructions for ready reference and identification. The Base Number is also included in the Price List for ordering purposes.

### EXAMPLE PRODUCT NUMBER

**823-150-00-201.10.HZLSP2F1E1+**

Product Base Number      Options and Features  
 (See Options and Features Key on Page T.60)

### PRODUCT BASE NUMBER KEY
